Lyriele's Words of Gratitude

I am so thankful for the opportunities given to me by SBCC and the amazing teachers who have made my college experience memorable. With a special thanks to Dr. Andrea Haupt who fueled my interest in the global studies department. Taking these classes has completely changed my motivation towards school. This has been a challenging year but I am so thankful for what I have learned and grateful that my efforts have been recognized. I also would like to thank my family and friends who have been very supportive.

I am excited to continue on my education at UCSB in the global studies department and looking forward to what the future has to offer.
