

Political Science

Connor V. Brain

Submitted by M.M Eskandari-Qajar

Connor has consistently performed at the highest levels in all of our classes in Political Science, achieving As in all of them in the past two semesters. Connor is truly an exceptional student with a bright future in Political Science as a major.

Connor's Words of Gratitude

I am truly grateful for this award of recognition and for the outstanding mentorship of professors Haupt, Zare, and Eskandari. My academic journey here at SBCC has been absolutely incredible and I will never forget how the political science department has led me to my ultimate passions and love for academics. My success would not have been possible without the fostering support and superb guidance given to me by this school and its amazing faculty.
